December is a month of festivities, parties, creativity, dressing up and indulging. Friends and family come together and create memories. Food and drinks specially made for holiday parties. Dressing up and beautifying ourselves is part of the season.

At Be Beauty, we are also celebrating the festivities with signature treatments.

Peppermint Mocha Pedicure

Enjoy a warm cocoa milk foot soak and a refreshing peppermint foot scrub. Indulge in a warm cup of Peppermint Tea while you relax and relish in a shea butter massage.

Your feet will feel revived and be ready to show off!

Re-fresh-mint Facial

This season requires glowing, refreshed skin! A compliment to our custom European style facials, enjoy the warmth of steam, the relaxation of cleansing, an invigorating peppermint microderm scrub, a massage that will make you melt, and a whipped creamy peppermint hydrating mask.

Refresh yourself!

May your holiday season be dazzling!
